PACIFIC HILLS LUTHERAN CHURCH

VOLUME 4 NUMBER 15

In preschool we've been talking about the miracles of Jesus.

While learning about Jesus feeding the 5,000 we discussed what a generous God we have. The people with Jesus that day were hungry, and he provided enough food to satisfy them, and there were even 12 baskets of leftovers.

The preschoolers talked about wants and needs and how God provides for everything we need (such as food, clothes, etc.) as well as many things we want (toys, TVs, games).

Jesus even gives us natural beauty that we don't have to have such as rainbows and flowers. And of course he gave us what we needed the most — a Savior.

As we prepare our hearts for Holy Week, let us remember what an amazing, generous God we have; one who provides us with all we need for this body and life, one who provides many "extras" for us, and one who has secured eternity for us with Him in heaven.

Pacific Hills Lutheran Church... ...Is a Community in Christ

Pacific Hills Lutheran Church, situated at 90th and Pacific streets, is where we make a joyful noise to our Lord in worship. It is where we join our brothers and sisters in Christ for fellowship and to study His word. The purpose of this campaign is to enhance our worship experience and to ensure that Pacific Hills is accessible to everyone. Please lend your support.

O LORD, you are my God; I will exalt you; I will praise your name, for you have done wonderful things, plans formed of old, faithful and sure. -Isaiah 25:1
